## IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF OREGON PENDLETON DIVISION

DOMINICKE SANDERS,

No. 2:16-cv-01751-YY

Petitioner,

OPINION AND ORDER

v.

STEVE FRANKE,

Respondent.

## MOSMAN, J.,

On July 5, 2017, Magistrate Judge Youlee Yim You issued her Findings and Recommendation ("F&R") [29], recommending that Petitioner's Petition for Writ of Habeas Corpus [2] should be DENIED and the case should be DISMISSED. She also recommends that I decline to issue a Certificate of Appealability because Petitioner has not made a substantial showing of the denial of a constitutional right pursuant to 28 U.S.C. § 2253(c)(2). Neither party objected to the F&R.

## **DISCUSSION**

The magistrate judge makes only recommendations to the court, to which any party may file written objections. The court is not bound by the recommendations of the magistrate judge,

## 1 – OPINION AND ORDER

but retains responsibility for making the final determination. The court is generally required to

make a de novo determination regarding those portions of the report or specified findings or

recommendations as to which an objection is made. 28 U.S.C. § 636(b)(1)(C). However, the

court is not required to review, de novo or under any other standard, the factual or legal

conclusions of the magistrate judge as to those portions of the F&R to which no objections are

addressed. See Thomas v. Arn, 474 U.S. 140, 149 (1985); United States v. Reyna-Tapia, 328

F.3d 1114, 1121 (9th Cir. 2003). While the level of scrutiny with which I am required to review

the F&R depends on whether or not objections have been filed, in either case, I am free to

accept, reject, or modify any part of the F&R. 28 U.S.C. § 636(b)(1)(C).

Upon review, I agree with Judge You's recommendation and ADOPT the F&R [29] as

my own opinion. Petitioner's Petition for Writ of Habeas Corpus [2] is DENIED, and this case is

DISMISSED with prejudice. Additionally, I decline to issue a Certificate of Appealability

because Petitioner has not made a substantial showing of the denial of a constitutional right

pursuant to 28 U.S.C. § 2253(c)(2).

IT IS SO ORDERED.

DATED this <u>1st</u> day of August, 2017.

/s/ Michael W. Mosman

MICHAEL W. MOSMAN

Chief United States District Judge
